For over one hundred fifty years Union Bethel African Methodist Episcopal Church has worked closely with all aspects of the Caroline County community to encourage participation in programs that are spiritually uplifting, healthy and that lead to a more fulfilling rewarding life.

By the end of the year, Union Bethel AMEC will provide several trainings in the areas of grant writing, 501C3 application and infrastructure development, and host information fairs to bring the local health department to the targeted minority communities.

For more information about Union Bethel AMEC and the MOTA program in Caroline County, please contact Janet Fountain, Project Director at (410) 829-2844.
